

Gender and Sexuality

Sep 11–Dec 4, 2022

Sunday morning, 9:00–10:15 a.m.

Fellowship Hall

As a follow up to our spring 2022 Sunday school course, “Divine Design: God’s Plan for Men and Women,” we will revisit and dig deeper into how we should think about and respond to the issues of gender and sexuality. The gospel of Jesus Christ provides clear instructions on how we should live as believers, both in our own practice and in our response to others. We often hear conflicting messages about the morality of gender and sexual concerns—join us as we explore the biblical teaching about how God instructs us to live, and how his plan provides answers to the challenges we face today on these issues. Taught by members of the board elders.
